

# We are My Brother's Keeper

## Vision

Boys & Young Men of Color experience conscientious engagement in after school, which affirms their greatness, activates their potential, and connects them with people and resources committed to their achievement.

## Mission

To connect, empower and mobilize expanded learning communities by creating awareness and building champions to support boys and young men of color.

## Core Values

- ◆ All boys and young men of color are important, deserve to be heard, and belong to a caring community
- ◆ We recognize that all boys and young men of color have hopes and dreams and we will intentionally provide them with genuine opportunities to make them a reality.
- ◆ Recognizing the injustice to boys and young men of color, we take action with integrity to keep boys and young men of color at the heart of our cause.
